Observing the Return of the Pharisees & the Revival of "Eretz Yisroel"
through the Manipulation of Gentile Leaders ...

~ THE CHALLENGE ~

The challenge is for *anyone* to sincerely deny that the interaction & camaraderie displayed here - between all manner of world leaders & members of the ultra-Zionist, Chabad-Lubavitch - is, at the very least, a form of "*undue influence*"!

Truly, a Picture Speaks a Thousand Words ...

DEFINING ERETZ YISROEL (i.e. 'Greater Israel'):

It is the dream of Zionist Jews, such as the Chabad, that Israel will one day extend from the *Litani* river in the North [i.e. Lebanon] to the river *Nile* in the south [i.e. Egypt] to the *Euphrates* in the West [i.e. Iraq]...

Avrum Burg, former Speaker of the Israeli *Knesset*, has stated (regarding this 'dream'):

World Leaders & Chabad Lubavitch - What's the Attraction?

Before you look at the photos below, I want you to consider something...

Think about the people who rule your country... with their thousand dollar suits, their *chic* stretch limousines, their 200 dollar luncheons - paid for by you, of course - their many lucrative contacts with moneyed-up corporate sponsors, as well as their ties to "big banks" and "special interest" groups of all kinds...

Think about YOUR *untouchable* leaders.

Now ask yourself honestly:

How many of these so-called "leaders" would actually take the time to meet with us, if we so desired?

How many of these "leaders" would not only set aside the time to meet with us, but actually invite us into their work environment, so that we may confide in them; so that we may express our heartfelt desires for the betterment of our people and our families?

Not too many, I hear you say.

Indeed, no matter how you look at it, whether you admire your leaders, or *despise* them; we all know that the vast majority of them would NEVER voluntarily meet with "us".

Enter the Chabad-Lubavitch...

This Orthodox group of fanatically Zionist Jews - who blindly support the most dangerous apartheid regime on earth (virtually as an *Article of Faith*) - can literally meet and greet most any politician, across the length and breadth of this lonely planet.

At *their* beck and call, Gentile leaders fawn and swoon; giving them the softest of glances, the warmest of handshakes, the gentlest of words... and no amount of Palestinian or Lebanese blood, nor the blood of the Rachel Corries of this world, nor even the blood of children targeted by

"If Zionism today means *Greater Israel*, not only am I a post-Zionist, I am an *anti-Zionist*.

If Zionism is [the illegal settlements of] *Netzarim* and *Kiryat Arba*, I am an anti-Zionist. I do not accept the type of Zionism that took Judaism, with all its dazzling beauty, and turned it into the worship of trees and stones.

When I look around today, my feeling is that *Netzarim* has become an altar, God has become a *Moloch* (i.e. an idol) and our children have become sacrifices: human sacrifices to terrible idol worship."

ON THE INHERENT RACISM OF JUDAIC TEXTS:

Biblical Scholar and Jewish author, Moshe Greenberg, wrote, in his book, "*A Problematic Heritage - The Attitudes Toward the Gentile in the Jewish Tradition: An Israeli Perspective*."

"What emerged for me, from the study of the first chapters [of *Sefer Hatanya*, the central works of the Chabad ultra-Orthodox organization] ... was the discovery that the main stream of Jewish thought is permeated by genetic spiritual superiority of Jews over Gentiles, disconcertingly reminiscent of racist notions of our time.

Living in Israel for the past twenty years ... I have come to realize the vitality of Jewish

psychotic U.S funded Israeli snipers, nor *mountains* of human-rights abuses (all caused by the Lubavitcher's "beloved" Israel), can stop or even hinder, the tenor of such meetings...

One could not be blamed for thinking that it must not be mere "men" that our leaders are meeting with, but perhaps "*Kings*"! For they MUST be important beyond belief to be so easily, and so regularly, shuttled into the schedule of what must be some of the busiest men on earth...

Surely our criminally-inclined, (s)elected leaders only meet with individuals, or groups, when such meetings will translate into votes at the ballot box, no? For example, when there's a community-oriented photo opportunity for local snap-happy media rags, or when the result of certain public gatherings is a well calculated windfall of sponsorship dollars for the Party coffers ... or when a visit to dying children in a hospital's Cancer Ward (just before election time, mind you) can result in a whirlwind of "goodwill" from an overly gullible vote-ready constituency ... Of course, for *all* these reasons and others besides, a political leader will gladly make room in his precious schedule.

But... the last time I checked, Jews made up only 2% of the total U.S. population, and only 1.2% of Canada's total population; barely 1% of France's population and a mere 0.5% & 0.45% of the U.K & Australian populations respectively. And for a greater understanding, consider that of the 13,000,000 or so Jews living on this planet, only 200,000 of them claim to be Chabad-Lubavitchers!

It is as clear as the sun at midday, that appealing to such a minority group, under *normal* circumstances, would not - nay, COULD NOT - result in any significant swing in potential votes!

So, if it's not about the "vote"... then what *is* it about?

The question must be asked: *Where does the loyalty of our leaders lie?*

Why do they smile so, at men who unabashedly support the brutal terrorist regime of "Israel"? A regime which has, without provocation, violently attacked every single one of its neighbours... Why are our Leaders so fond of a small group of men who view the innocent victims of this foul regime as "*unrepentant evil-doers*", as "*aggressors*" whose wives and children are as "guilty" as they have deemed those oppressed men to be?

It baffles the mind ...

Would our leaders have sympathised so easily with representatives of Nazi Germany? Would they have welcomed the leaders of Apartheid South Africa - during the height of it's power - with firm handshakes and comforting smiles?! Would Pol Pot, Stalin or Mao Tse-tung be welcomed with open arms by the leaders of today's world?

Would the followers of these fascist dictators be supported, or *scorned*?

So, what of this Jewish Supremacist Movement, the Chabad ... this racist, merciless group of men who clasp the hand of "Democratically-elected" Western leaders with their right hand, whilst their left hand launches deceptive Telethon's & "charities" in order extract yet more money from U.S citizens for Israel's continued slaughter of innocent women and children in Palestine - (*Is 6 billion per annum in U.S*

racist notions, and I am more than ever convinced that the hold Judaism will have on this and future generations will be gravely impaired unless these notions are neutralized ..."

Professor Israel Shahak, wrote in his extensively researched book, "*Jewish History, Jewish Religion: The Weight of Three Thousand Years*":

"My final, more general example is, if possible, even more shocking than the others. It concerns the attitude of the Hassidic movement (i.e. Orthodox Judaism) toward non-Jews.

What, then, are the views of this movement concerning non-Jews? As an example, let us take the famous Hatanya, fundamental book of the Habbad movement ...

According to this book, all non-Jews are totally satanic creatures "*in whom there is absolutely nothing good.*" Even a non-Jewish embryo is qualitatively different from a Jewish one. The very existence of a non-Jew is "inessential," whereas all of creation was created solely for the sake of the Jews."

Noted Israeli Journalist, Israel Shamir, recently

Tax-payer dollars not enough, Oh Israel?!)

Unless I'm mistaken, shouldn't such men be deemed the "enemy"? Or at least, a group that is to be avoided, boycotted & sanctioned (until they come to their senses), in particular by the leaders of the so-called "freedom-loving" West; those men who *boast* of heading "Democracies" where honour and human dignity are at least given lip-service too; leaders who pride themselves on their countries "human-rights" records, and of heading societies that at least feign egalitarianism, and "justice for all"?

You can judge a man by the company he keeps ... for we are, each of us, a mirror image to our friends and supporters - Know this rule, and know it well.

We all know the absolute raw *criminality* of the State of Israel (and I don't care if your pro-Israel, or if you feign some kind of "neutrality" on this issue: You still *know* it ... you're simply in denial) and that world leaders who claim allegiance to the above-mentioned qualities kiss not only the feet of Israel but *also* those of its supporters & enablers - on a daily basis - is a shocking indictment on both them, and us.

For, as "*...you are what you eat*", you will most certainly become that which you admire...

This is a warning to us all, especially those of us who live in here the "West":

Are YOU ready for the Isreali occupation template to be superimposed over your neighbourhood?

Australia - Prime Minister John W. Howard

stated, whilst giving a talk in Paris upon the release of his latest book:

"According to Judaic law, some men are inherently more equal than others, and no *one* universal law can cover both the higher and the lower species. There is one law for the Chosen Minority (i.e. Jews) and another law for the Native and Unwashed Majority (i.e. Goyim) ...

[For example] a law is just if it is stipulated in general terms, and applied to specifics: *Do not murder*. ... this prohibition must fit all to be fair. But in traditional Judaic ethics, "*do not murder*" means only "*you must not kill Jews*". Killing other, (lesser) beings, does not even qualify as "murder"."

Rather, we have a case of 'let us differentiate' between totally different species.

This is what needs to be said about the body: the body of a Jewish person is of a totally different quality from the body of [members] of all nations of the world ... A non-Jew's entire reality is only vanity.

**ISRAEL is a fascist,
militaristic,
anti-democratic,
racist, apartheid,
ethnic-cleansing,
genocidal,
intolerant,

state:**

- 92% of all the land inside the Green Line of Israel is reserved for Jews only; the rest of the land, approximately 8%, is for the non-Jewish people who comprise 20% of the total Israeli population. Therefore, it is a segregated, apartheid country...

- This is further evidenced by the fact that there are Jews-only by-pass roads that go to Jews-only settlements built on stolen Palestinian land.

- Non-Jews are *never* given permits to build inside Israel.

- Jews are only allowed to marry fellow Jews inside Israel or else the marriage is not considered valid or legal, therefore there is not religious freedom nor freedom of choice.

- It is against Israeli law for Christians to

France - Prime Minister Jean Pierre Raffarin

Germany - Chancellor Gerhard Schroeder

Germany - President Horst Kohler

hand out Christian literature (or for Muslims to hand out Islamic literature) on the streets in Israel, therefore there is no religious freedom.

- Israel is a "Jewish state", whereby all Jews receive preferential treatment in every way, therefore it is NOT a democratic, secular state.

- In fact, non-Jewish Israelis are not allowed to run for office in Israel if they want to run on a platform calling for Israel to transform into a *truly* democratic, secular country...

- At all Israeli [news]papers, all the journalists are Jewish, therefore there is no "equal representation" even in the media, nothing close to it. NO EQUAL OPPORTUNITY for non-Jews.

- Jews from around the world are encouraged by the Israeli government to go to Palestinian Territories and steal Palestinian land using guns for illegal Jewish settlements...

Meanwhile, Palestinians are forced to live under strict curfew, roadblocks, and checkpoints, which strangulate any kind of normal life...

- Palestinians in the Palestinian Territories of the Gaza Strip & the West Bank must pay taxes to Israel yet they do not have the right to vote in Israeli elections. This

Guatemala - President Alfonso Portillo

Kazakhstan - President Nursultan Nazarbayev

Lithuania - President Rolandas Paksas

is taxation without representation. This is *tyranny*.

•Discrimination is not allowed [by law] in the U.S. but in Israel political leaders openly call for a transfer of non-Jews from Israel.

Newspapers constantly print racist, discriminatory articles about non-Jews. Racist, anti-Arab graffiti is everywhere in Israel and allowed to stay there.

•Palestinian refugees, who were chased off their land in *terror* in 1948 when the Jewish state of Israel was created by the UN who gave away Arab land that was NOT theirs to give away in the first place to Jewish Europeans, have *never* been allowed to return to their homeland of Palestine-Israel even though it is their right according to UN Resolutions and International Law.

A Hate so Vile ...

Chabad-Lubavitch is an Orthodox Jewish Movement which totally, and blindly, supports the modern State of Israel.

In fact, it not only supports "Israel" - with it's present, *undefined*, borders - but in particular, it fervently promotes the dream of "*Eretz Yisroel*" (i.e. Greater Israel: From the Litani river in the North [i.e. Lebanon] to the river Nile in the south [i.e. Egypt] to the Euphrates in the West [i.e. Iraq]) ... "War on Terror" *anyone?* ...

They believe ardently - for example - that the Palestinians (A word which Zionists generally refuse to use) are not living on an inter-generational homeland which is now occupied by the government of Israel, but instead that they - the "Arabs on Israel's doorstep" - are in fact "illegally" *occupying* Jewish land. ... What *Chutzpah!*

And indeed, the land on which the Palestinians reside (i.e. the West Bank and the Gaza Strip) in the language of Orthodox and secular-political Zionists, is known - *and referred too within Israel itself* - only by it's respective Biblical names, "Judea" and "Samaria" ...

In the Zionist psyche, "Palestine" literally does NOT exist.

When former Israeli Prime Minister, Golda Meir, stated infamously that there is, "...no such thing as a Palestinian people... They didn't exist.", she did not mean that a people calling themselves "Palestinians" did not exist, *full stop*; she was not being "delusional", or even callous in the way that most people understood that quote... What she meant was that Israel does not recognize the Arabs living under its occupation as being "Palestinians", but rather, as "Jordanians", "Syrians", or some other Arab Nationality ...

You see, in this way the Palestinian claim to Palestine is obliterated before it can even be argued legitimately (i.e. If they have no real claim to the land, which - by Zionist logic - is "proven" by the fact that "Palestine" does not, and never has, existed; then *what the heck are they doing there at all?!*)

Using this logic, one can then argue that the Arabs residing within historical Palestine are actually "*criminals*", who by their very existence threaten the State of Israel, because - as they have no "legitimate" claim to the land, they are effectively occupying Israeli land *illegally*. And this logic in turn justifies Israel's brutal and harsh treatment of those same Palestinians... Evil stuff, eh?

So, this is just a small taste of some of the vile, racist notions consumed and taught by the fanatical Lubavitchers, and their secular political brethren, both within Israel, and in the United States.

Before we close, it is important to note that followers of the racist "Rebbe" (who stated explicitly that Jews and Gentiles are completely different "species") have been extremely close with, not just the present U.S. Administration, but with ALL U.S. Administrations, from the time of Nixon onwards!

We must therefore, ask ourselves:

What sense does it make, that the leaders of America - *the so-called beacon of Democracy and "free-speech" in today's world* - are (from minor Congressmen to the *President* himself) absolutely enthralled and enamoured by a group of men, who unapologetically view themselves (and those of their ethnicity), as being of a "superior" genetic stock; greater than all other ethnic groups?!

A group of men who have a proven track-record of cold-hearted, psychotic enmity towards any and all who disagree with them... Whose literature is so vile, that even noted Jewish Professors have rejected it outright as being against core human values of equality and egalitarianism ...

Why would ANYONE ally themselves with such arrogant bigots?

Unless?

...Unless the reality is that those 'bigots' actually hold an enormous influential sway over those U.S. leaders; whether it be through blackmail (*Honeypot* anyone?), or just sheer greed on our leaders' part...

Think about it for a while... Nay, *dwell* on it.

And if the photos on this Blog do not convince you, then imagine that, instead of the fanatical Rabbi's of Lubavitch-fame swamping U.S leaders like groupies all over their favourite rock stars - ... imagine that it was instead *Muslim* Imams & Sheikhs frolicking about the Whitehouse and the Halls of Congress and the Senate... Go on! Do it... and see how your perception and assessment of the situation changes dramatically; *then* you will come to know the reality in which we currently reside.

And in the mean time, here are some more photos for us to ponder...

They are of members of the Chabad-Lubavitch on the Lebanon/Israeli border (i.e. the "*frontline*") during the recent violent occupation of that land by Israel.

We all saw the sickening photos of young Jewish girls signing off on rockets of death which were then fired into Lebanon, massacring hundreds of innocent women and children ... but not too many saw the following pictures of fully grown men; laughing and celebrating at the slaughter of innocents which was taking place across their very border...

I think it reflects the reality of their souls, while revealing their true intent for humankind; if only they are given the chance to express it.

Truly, a picture - as they say - speaks a thousand words:

The yellow flag in the above photo is the flag of the Chabad-Lubavitch:

The illustration in the center of the flag is of a King's Crown, which is a reference to the supposed coming of the Messiah, or "*Moschiach*". It is believed that when he returns, all the world will be made to submit to his will.

Essentially, and importantly, for all Goyyim (i.e. non-Jews), it will mean:

"Submit to Noachian Law, or die."

And if you don't know what that means, then Google "Noahide Laws Off with Your Head"

Peace.

"Even the best of the Gentiles should all be killed."
